FACULTY

Faculty Shows Interest

This year saw the introduction of the mini-course curriculum for the high school, resulting in more work for the teachers. Their interest in the school and students was demonstrated by their enthusiastic willingness to adopt this curriculum.

An energetic and inovative faculty, such as ours, that attempts to provide a better education for all students are teachers for which we can be thankful.

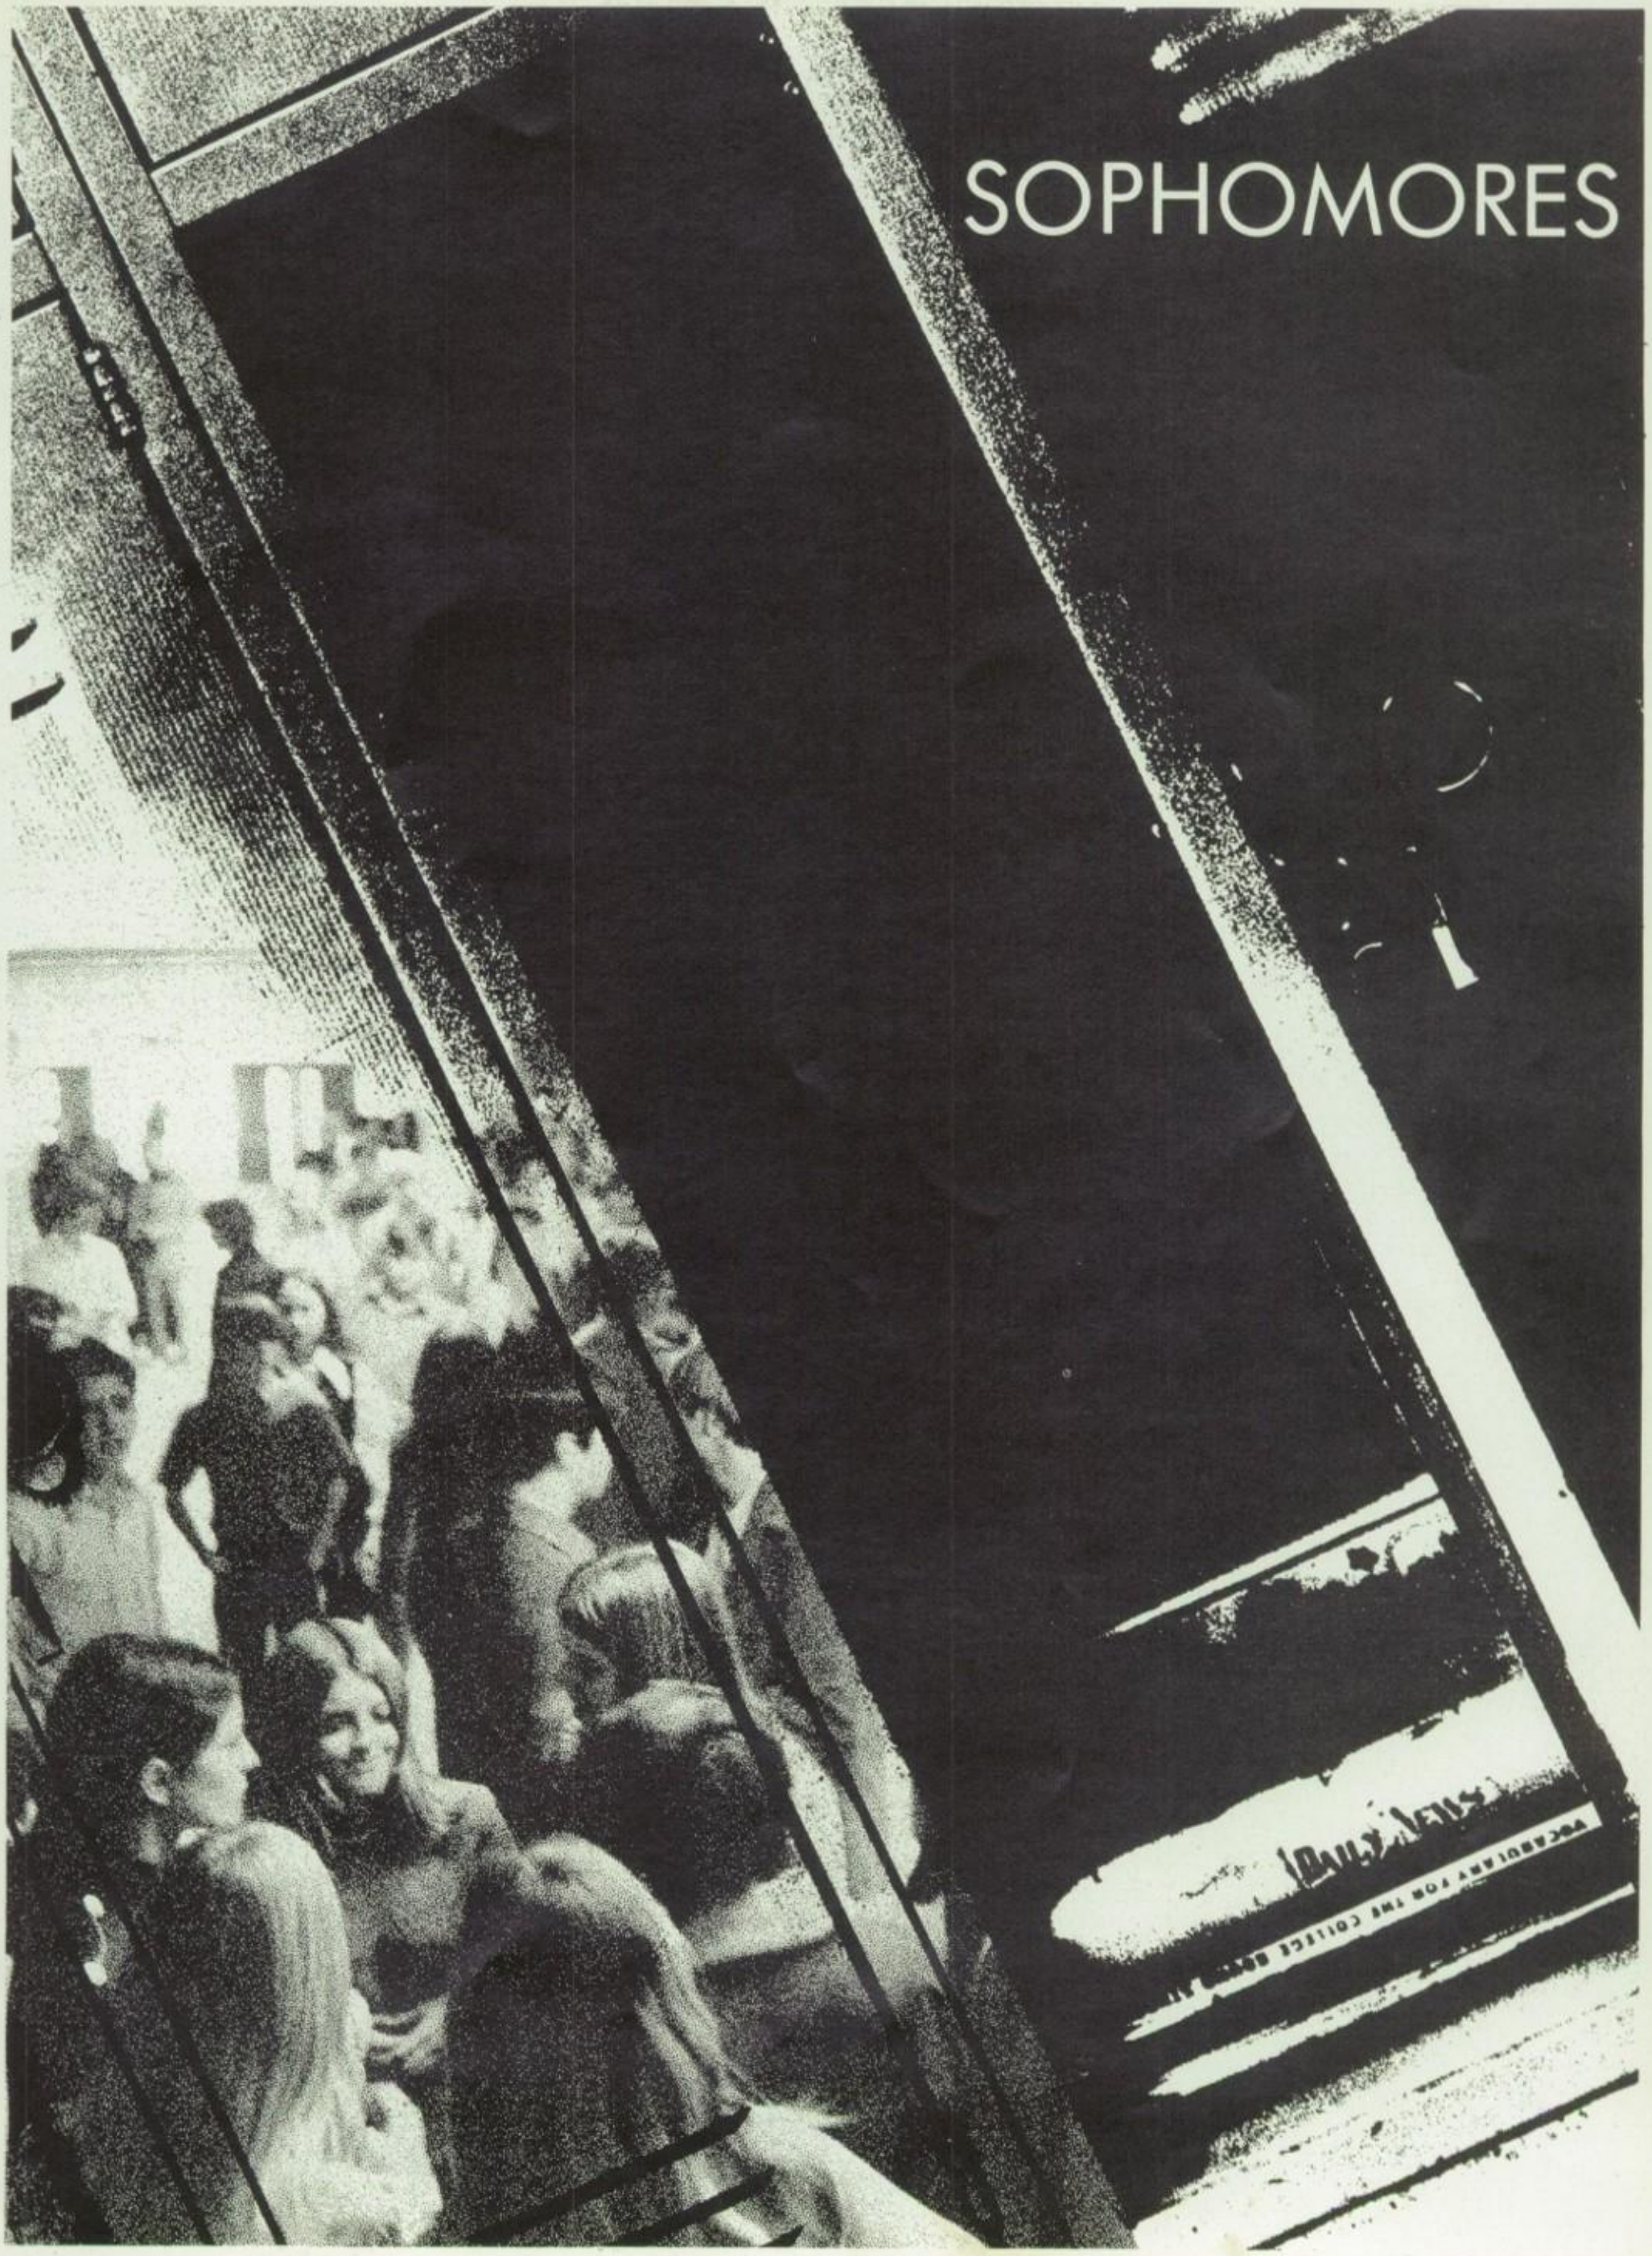
SOPHOMORES



Sophomores Enjoy Busy Year

Throughout the busy school year, sixty sophomores kept active with various activities.

Classrings were ordered in the fall, and during the year many of the students were involved in the Drivers Ed. program.

During Homecoming season, Vicky Laske was selected Sophomore Queen with classmate Kendall Nash acting as her escort.

The class successfully presented the "Sadie Hawkins Dance" in March of '72.

Although still considered "little underclassmen," with the spirit and enthusiasm this class has, the sophomores show promise of becoming future leaders at P.H.S.

"Hillbilly Hoedown"

P.H.S. students enjoyed an evening of country fun at the annual Sadie Hawkins dance, March 17th.

"Hillbilly Hoedown" was the theme for this sophomore sponsored event and the many students attending were dressed in an assortment of hillbilly duds.

"Farmer Jack," a local band from Adrian Michigan, was hired and made this a successful dance for the class of '74.

JUNIORS

Juniors Have Much Ambition

When the doors of P.H.S. opened in August of '71, the juniors ventured into one of their busiest years ever encountered.

Being experienced by two previous years in high school, the class met with some unfamiliar experiences, yet some unfamiliar achievements lay ahead.

The class sold magazines in the early part of the year and cleared over $1,000 for their treasury.

The Prom, entitled "Sugar Plum Isle" was a success May 19.

It's apparent the juniors deserve to stop being followers and have along with the seniors, become school leaders.

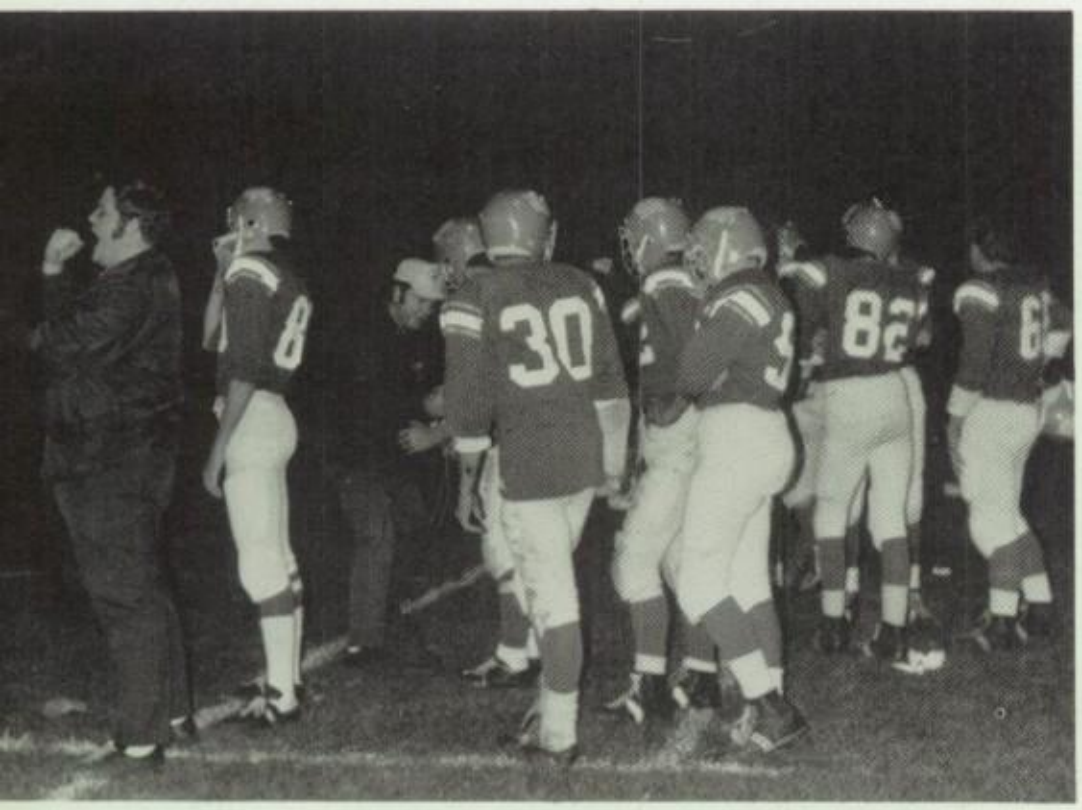
Well boys, it's like this, when I was at Idaho . . .



Too bad my fist isn't pizza flavored!

Wildcats Have 2-6 Football Season

JONESVILLE O, PITTSFORD 14. Each team went scoreless in the first 2 quarters, but in the third quarter Brian Salamin connected on a 58-yard pass to Stan Gier for the Cat's first TD. The second TD came on a 12-yard end run by Rod Scholfield.

WALDRON 14, PITTSFORD 10. The Cat's started with Steve Shannon running off-tackle 70 years on the first play of the game for the Cat's first score. A safety was later added, but it wasn't enough as Waldron scored with 1:20 left to go in the game.

TEKONSHA 6, PITTSFORD 30. It was all Pittsford as Steve Shannon scored 3 of the Cat's TD's and Stan Gier one.

READING 14, PITTSFORD 6. A dismal night both weather wise and mentally for Cat fans as they saw their team only score once against a good Reading team.

HANOVER 24, PITTSFORD 6. The Cat's felt their Homecoming victory slip from their grasp in the last 14 seconds of the game as Hanover scored on a freak play.

CAMDEN 30, PITTSFORD 14. Pittsford had 3 turnovers and 4 injuries to give the Redskins their first victory of the season. Steve Shannon scored two touchdowns and gained 157 yards in the loss.

LITCHFIELD 20, PITTSFORD 6. The Cats just couldn't seem to put it all together as Litchfield dominated the game.

NORTH ADAMS 16, PITTSFORD 2. A fired-up Wildcat squad gave the state ranked Rams their hardest fought battle of the year. Pittsford scored on a safety. Steve Shannon got 60 yards to give him a season total of 1,035 yards. Steve is one of the few Wildcat runners to gain over 100 yards in a season and to make first team All-State fullback.
